## Google Summer of Code

Hi Gavish Poddar,

Your proposal [Implementing an optional language detection library to improve language detection](#) has been accepted!

Welcome to GSoC 2021!

We look forward to seeing the great things you will accomplish this summer with Python Software Foundation.

The next thing you need to do is read the [Information for Accepted Students](#). It contains important information you need to know about your participation in GSoC 2021.

You will receive another email in the next few days with information about your stipend.

If you have any questions, please email the Google Summer of Code support team at [gsoc-support@google.com](mailto:gsoc-support@google.com).

Have a great summer!
